

# VILLA PAULINE RETREAT AND SPIRITUAL CENTER

THE POWER of the *SERENITY PRAYER*, FEBRUARY 26, 2022

American theologian, Reinhold Niebuhr, is credited with having written the Serenity Prayer as we know it today. Adopted by Alcoholics Anonymous in 1948, the Serenity Prayer expresses many of the foundational principles of AA and has become a mainstay for this and other Twelve Step spirituality groups. With the Serenity Prayer as a focal point for a Saturday Lenten day of retreat, please join us as we explore this little powerhouse of a prayer and its benefits for all.

**Facilitator: Audrey Byram**

Audrey holds a degree in psychology from St. Elizabeth University and is a certified spiritual director. She is also certified in recovery coaching and ethical considerations for recovery coaches through the Center for Addiction Recovery, Hartford, CT.
